Dear Mr. Clement,

Please see the attached supplemental comments on the CMP Transmission Line Project (File No. NAE-2017-01342) submitted on behalf of the Sierra Club. A hard copy with a CD containing all of the referenced exhibits was mailed yesterday to your attention via U.S. Certified Mail, so you should receive that soon. Please do not hesitate to contact me if you have any questions.

Best regards,
Kevin Cassidy
